

Skyline Loft offers the city's largest loft space: 18,000 square feet set against a backdrop of sweeping city views and the South branch of the Chicago River. It is a visually breathtaking space featuring timber loft construction, exposed brick, and soaring ceilings and skylights. This historic 1911 building showcases the original freight elevator – complete with tiered chandelier – which transports guests, cars, and objects up to 8,000 pounds to the event space above.

The Skyline was named the “Best New Venue” by the Illinois Meetings and Events Magazine and is one of Crain’s Chicago Business’ “Best Event Spaces.”. This open loft space is on the top floor of the Bridgeport Art Center and is a blank canvas that can be transformed for any occasion that demands an exceptional setting.
